ACADEMIC PROGRESS POLICY

The intent of **Necie's College of Barbering** Academic Progress Policy is to be fair and consistent in effectively evaluating the student's measurable progress toward successfully completing their chosen program of study. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS). This policy also meets the requirements as established by the U.S. Department of Education. All students are provided with this policy prior to enrollment in any of the school's currently offered programs. **(Note: Necie's College of Barbering does not offer Title IV funding at this time.)**

The training will include history of the profession, attendance, dependability, professional image, professional communication, organizational and practical skills as well as conduct and technical service-related skill evaluations. Student training is measured and communicated by:

1. Attendance and;
2. Academic Grades

- A.** Academic Progress is a requirement for all students enrolled. All students must maintain an academic grade percentage of **75%** and average cumulative attendance of **75%** to be considered making SAP and to complete the scheduled course within the maximum time frame. ***The School's academic year is defined as 900 clock hours.***

EVALUATION PERIODS

Students are evaluated for Academic Progress on **ACTUAL** hours as follows:

PROGRAM	EVALUATION PERIOD	ACADEMIC YEAR/LENGTH
MASTER HAIR CARE SPECIALIST	450, 900, 1350	1500 CLOCK HOURS

ACADEMIC YEAR PER PROGRAM:

PROGRAM	ACADEMIC YEAR 1
MASTER HAIR CARE SPECIALIST	900 CLOCK HOURS

- B.** The maximum time a student has to complete is 150% of the course length. All minimum course lengths are determined by **South Carolina Barber Board of Barber Examiners**. Enrollment will be terminated for students who do not complete the course within the maximum time frame. However, they may later re-enroll at the school on a cash pay basis. At no time can a student exceed 150% of the program length regardless of payment method.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at Satisfactory Academic Progress is stated below:

PROGRAM	STATUS	HOURS P/WEEK	PROGRAM HOURS	WEEKS	SCHEDULED HOURS
MASTER HAIR CARE SPECIALIST	FT	35 P/W	1500	64.3	2250
MASTER HAIR CARE SPECIALIST	PT	20 P/W	1500	112.5	2250

The maximum time frame allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 75% of the scheduled hours. **Necie's College of Barbering** evaluation periods are based on **actual** hours completed.

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the program.

C. Students will be sent a Satisfactory Academic Progress Report upon reaching each evaluation period. All evaluation periods will be completed within seven (7) business days following each established evaluation period. Students who are found not meeting SAP requirements must sign their report in a timely manner. A copy of each SAP report will be kept in the student's file.

D. A student's academic grade percentage is determined by:

- a) Theory exams;
- b) Practical exams, and;
- c) Practice/technical activities

GRADE	DEFINITION	PERCENTAGE
A	Excellent	90%-100%
B	Very Good	80%-89%
C	Passing	70%-79%
D	Unsatisfactory – Failing	60%-69%
F	Failing	Less than 60%

Students meeting the minimum requirements for academics 75 % and attendance 75% at the evaluation are considered to be making SAP until the next scheduled evaluation. Students deemed not maintaining SAP may have their Title IV funding interrupted (if applicable), unless the student is on warning.

E. Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the period will be added to the attendance from the preceding periods to determine whether the student will complete the course within the maximum time frame established in this policy. Total hours earned beginning the first day of course commencement and ending the last day of the completed period (phase) divided into the student's scheduled hours beginning the first day of their respective program and ending the last day of the completed period (phase).

Student's actual hours attended + scheduled hours = cumulative % of attendance.

F. A student will be placed on **warning**, but considered to be making SAP during the warning period, if the student's attendance falls below 75% or their academics fall below 75%. The student will be advised in writing on the actions required to meet SAP requirements by the next evaluation. If at the end of the warning period, the student has still not met the attendance and academic requirements, he/she will be dismissed from the program.

In the event the student **withdraws, or other official interruption**, the student, upon returning to school, maintains the status as of the time of departure. **If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.** Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

G. Withdrawals and incompletes have no effect upon the school's qualitative SAP standard. All hours attempted within a progress report period are used in assessing, if the student meets quantitative SAP standard, Necie's College of Barbering does not allow students to repeat courses and does not offer remedial or English as a Second Language (ESL) courses.

- H.** With regard to SAP, a student's *transfer hours* accepted by the school will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the school.
- I. *Appeal Process:*** If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with the supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and be reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.
- J. *Non-Credit, Remedial Courses, Repetitions:*** Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

RE-ESTABLISHING ELIGIBILITY

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same SAP status as at the time of withdrawal. The student whose financial aid has been terminated for unsatisfactory progress will not be paid any additional financial aid until she/he has completed the hours previously paid for with a 75% academic grade percentage and will be able to complete the program within the maximum time frame.

ACADEMIC DISHONESTY/CHEATING

Students engaging in any form of academic dishonesty will be disciplined appropriately.

The student and/or legal guardian grant Neecie's College of Barbering, the irrevocable permission to use his or her voice, image, or likeness as part of any live or recorded video display, broadcast, production or other depiction in any media, now or hereafter existing of all or any part of the student's participation in school including for the commercial purposes of the school.

Students who do not come to school with their equipment will not be allowed to attend until they bring their equipment.

STUDENT COMPLAINTS/GRIEVANCE POLICY

Students are always encouraged to communicate their concerns to members of the faculty and administration. Suggestions, concerns, or complaints should be registered privately, never with fellow

students or clients. If a situation arises in which a student has a complaint or grievance regarding grades, instruction or other topics related to their course of study, the following procedure is in effect.

1. Schedule an appointment to discuss the matter informally with your instructor. If at this contact the matter is not resolved, the student should:
 - a. Make an appointment to discuss the matter informally with the School Director, Owner, or designee. If not resolved at this level, the student may:

The designated school official will verify that the student has tried to resolve the concern informally and will schedule a meeting with all individuals whose participation is warranted by the circumstances of the particular concern to seek to resolve the student's concern. The minutes of the meeting and any agreed upon resolution will be documented on the Student Compliant Form and communicated to the student. If not resolved:
 - ii. Request the official school designee shall forward the Student Complaint Form to the School Owner or other official designee at this level for review. The ruling at this level will be documented on the Student Complaint Form and communicated to the student. The decision at this level is the final decision. If then the matter is not resolved to the student's satisfaction:

LEAVE OF ABSENCE OF POLICY

Necie's College of Barbering encourages students to make steady progress toward completing their program. Thus, a leave of absence may be granted only under the following circumstances:

1. Care for the student's child after birth or adoption; maternity or paternity leave.
2. Care for the student's spouse, partner, child, parent, or grandparent who has a serious health condition.
3. Due to the student's own illness, injury, or serious health condition that prevents him/her from being able to continue with his/her education.
4. Death of an immediate family member.
5. Enrolled students who are members of the military and receive official military orders.
6. Personal reasons.

A Leave of Absence (LOA) will require a student's contracted graduation to be revised based on the terms of the LOA. A LOA will extend the student's contract period and maximum time frame by the same number of days as the LOA. All students, when placed on a LOA, will return with the same academic and attendance status as when they began their LOA. All students who are granted an approved LOA is considered to remain in an in-school status and is not considered to have withdrawn. No refund calculation is required at that time and no additional institutional charges will be assessed to students granted a LOA.

Students with less than thirty (30) days of attendance are not eligible for a LOA. After thirty (3) days, a LOA may be granted for no less than seven (7) consecutive calendar days and may not exceed sixty (60) consecutive calendar days or what is deemed necessary by the student's, student's spouse's, partner's, child's, or parent's healthcare provider, as applicable with the exception of personal reasons. Students will only be eligible for one (1) LOA for personal reasons within each program of study. The personal LOA may be granted for no less than seven (7) consecutive calendar days and may not exceed fourteen (14) consecutive calendar days. LOA's cannot exceed one hundred eighty days (180) in a twelve (12) month period.

Based on the student's academic progress, the school may require the student return when the curriculum is at or near the same point of education as when the LOA began. With student's written approval, this may extend the LOA beyond the timeframe requested by the student, to ensure quality education. Students are encouraged to request the least amount of time needed, due to the likelihood of the LOA being extended to ensure quality education and maximum allowable timeframe for LOA's.

A LOA may only be granted where there is a reasonable expectation that the student will return from the LOA. Additionally, the school makes no guarantee a LOA request will be approved. A LOA should be requested only when truly necessary and is as the student's risk. When a LOA request is unable to be accommodated and a student is obligated to withdraw from his/her respective program, the student is encouraged to apply readmission by following the current Re-entry/Readmission Policy.

PROCEDURES FOR REQUESTING A LOA:

Students requesting a LOA must complete the LOA Request Form, sign, and submit to campus management in advance, detailing the reason for the LOA, the exact period of the LOA, and provide supporting documentation (i.e., note from qualified healthcare provider or adoption certificate/deed, obituary or official military orders documents). When requesting a LOA for medical reasons, the school will not extend a LOA beyond what is requested by a healthcare provider, unless it is necessary to ensure quality education. When requesting a LOA for death of an immediate family member, an obituary or another official document must be provided. Please note the start of a LOA must be on a day school is open and the student is normally scheduled.

The LOA Request Form and supporting documentation (if applicable) should be submitted within twenty-four (24) hours of the requested LOA start date. In the event of unforeseen circumstances preventing the student from submitting the requested LOA within twenty-four (24) hours, the complete paperwork should be submitted as soon as possible. However, students must be mindful of the attendance policy as any student absent for fourteen (14) consecutive calendar days may be withdrawn from his/her program. The approved

LOA start date will be determined by the school to be the first scheduled date the student was unable to attend school because of the qualifying incident. Any student that is unable to request a LOA due to unforeseeable circumstances prior to being terminated for being absent fourteen (14) consecutive calendar days is encouraged to follow the current Withdrawal Appeal and or Re-entry/Readmission Policy.

The designated department or school official will review and determine approval or denial for all requests on an individual basis. The LOA Request Form will be returned to the student with a denial or approval. Approved LOA's will contain the students scheduled return meeting date and time. If the student has been on LOA due to medical reason, including pregnancy/childbirth, he or she must submit a signed release from a qualified healthcare provider indicating the student is able to return to the school as of or prior to the scheduled return date. Students who fail to provide this release upon return from LOA will not be permitted to attend class and may be counted absent. If the medical release is not provided within 48 hours of the return date the student can be withdrawn from his or her program.

PROCEDURES FOR REQUESTING TO EXTEND A LOA

Students requesting a LOA extension must contact the designated school official, detailing the reason for the request and the date in which the student is requesting to return to school, no later than 24 hours prior to the scheduled return date and time, to allow sufficient time for processing. However, if the student is unable to submit his or her LOA extension request at least 24 hours prior due to extreme unforeseen permitted to require an extension up until his or her scheduled return time. The student must submit all supporting documentation to the school to validate the need for the extension at the time of his/her request. If approved, the designated school official will schedule a new return meeting and update all paperwork. The student will be notified in writing of the outcome of the extension request.

PROCEDURES FOR RETURNING FROM AN LOA

Changes to the contract period on the Enrollment Agreement must be initiated by all parties or a Contract Addendum must be signed and dated by all parties upon return. Students returning from a medical leave must provide a medical release from a qualified healthcare provider, indicating the student is able to return to the school as of or prior to the scheduled return date, upon returning from LOA. Students who fail to provide this release upon return from LOA will not be permitted to attend class and may be counted as absent. If the medical release is not provided within 48 hours of the return date the student can be withdrawn from his or her program. Based on a student's academic progress status and LOA, the school reserves the right to have a student test upon reentrance or repeat a level of education.

FAILURE TO RETURN FROM A LOA

The school will officially withdraw students who do not return on their scheduled return date. For the purpose of calculating a potential refund, the withdrawal date will be the student's last date of attendance. For students receiving Title IV loans, the school will report the change in enrollment status to the holder of the loan, which could reduce and/or exhaust the student's grace period.

MITIGATING CIRCUMSTANCES

- Serious illness of student/veteran
- Serious illness or death in the student's/veteran's immediate family
- Emergency financial obligations or change of place of employment or work schedule which preclude pursuit of the course
